- ☑ Draft(sss)
- ☑ Reviewed by CSC Steering Committee
- ☑ Reviewed by CSC
- ☑ Adopted

metroplanning.org/calumet

Carried over from 2018-2021

- **Mission Statement**
- **Vision Statement (w/ edits)**
- **Collective Impact Model**
- **Goals**
 - *Significant reduction in non-overbank flooding;*
 - *Grey and green stormwater infrastructure maintains its designed performance over time;*
 - *Increase municipal capacity and reduce fragmentation across Calumet government actors; and*
 - *Data-driven decision-making is more prevalent in stormwater management planning.*

Tasks for 2022

Stay the course and build on what's working well.

1. Meetings

- a. first Friday of every month (virtual)
- b. when safe, limited in-person gatherings, such as mid-year Field Trip and Annual Holiday Party

2. Work Groups

3. Steering Committee

Work Groups

- **Planning & Policy Work Group**
 - **Purpose:** Establish and work directly with a cohort of municipal stakeholders to leverage CSC analytical, expertise, and influence resources for the purpose of building local government capacity to improve policy and attract investments for stormwater management.
 - **Lead:** Center for Neighborhood Technology

Work Groups

- **Municipal Outreach & Engagement Work Group**
 - **Purpose:** Increase local capacity to address stormwater challenges in the Calumet region by engaging municipalities and disseminating resources, best practices, and pilots in stormwater management.
 - **Lead:** TBD

Work Groups

- **Training & Maintenance Work Group**
 - **Purpose:** Bolster long-term functionality, performance, and cost-effectiveness of green stormwater infrastructure in the Calumet region by developing and executing training and management systems.
 - **Leads:** CRTI, IDNR CMP, IISG, and OAI

CSC Steering Committee

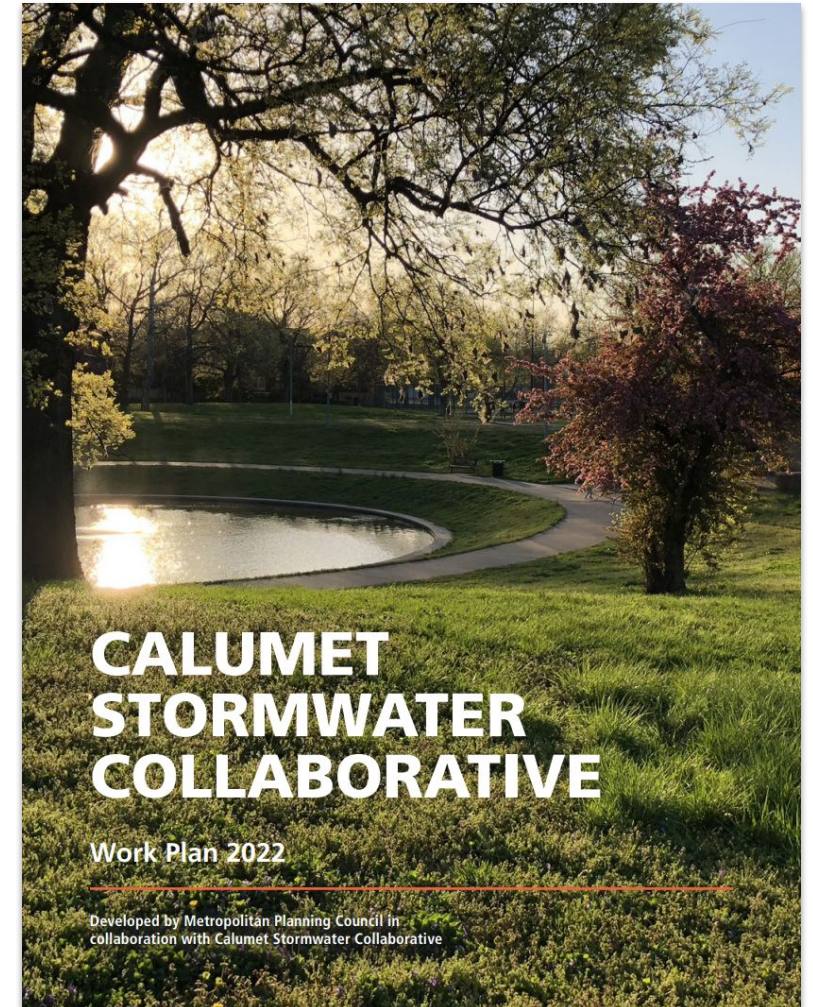

- **Goals**
 - **Admin:** identify discussion & presentation topics
 - **Support:** evaluate Work Groups regarding CSC's Collective Impact
 - **Recruitment:** expand group representation and diversity
- **Responsibilities**
 - meet 2-3 times/year
 - email & phone communication
- **Interested?** email jkeller@metroplanning.org
